Catholic Charities is a federation of approximately 90 agencies and programs located throughout the ten counties of the Archdiocese of New York, helping to solve the problems of New Yorkers in need—non-Catholics and Catholics alike—with services that protect and nurture children, resolve family crises, assist the hungry and homeless, support the physically and emotionally challenged, and integrate immigrants and refugees.

In 2017, Catholic Charities marked a 100-year legacy of service and launched the next century of providing help and creating hope for New Yorkers in need. Catholic Charities has recommitted to providing basic human services that are efficient, effective, accountable and caring—and to being a valued partner in building the fabric of a caring New York.
