## Catholic Charities Second Century Fund

ADDRESSING THE ONGOING AND EMERGING NEEDS OF NEW YORKERS

For over a century, Catholic Charities has helped to solve the problems of New Yorkers in need — non-Catholics and Catholics alike. Now, in our second century, we have reaffirmed our mission, taken a hard look at our existing programs, and have identified key priority initiatives to address the current and future needs.

The Catholic Charities Second Century Fund has been established to raise the considerable philanthropic resources needed by Catholic Charities to implement these programs and services. These resources will be used to meet the ongoing, emerging, and newly identified needs of our fellow New Yorkers.

### High-priority programmatic initiatives are:

- Stabilizing housing for lower income New Yorkers
- Building new affordable housing for families and those with special needs
- Providing nutritious supplemental food
- Supporting those with mental illnesses
- Supporting and integrating immigrants and refugees
- Responding to community emergencies and disasters

Funds donated to the **Second Century Fund** will be carefully stewarded and monitored to ensure they are expended in accord with the intent of donors.
